

# The Big Read!

**Why not have a time to read in your church? A time where everyone is divided into small groups; regain the joy of spending quality time with the children.**

**You may wish to develop this further by offering a story hour during the week and developing sessions where children are given the opportunity to read from a wide selection of Bible stories.**

**There's a wide range of Children's Bibles that help children to develop a love for God and His Word. The 'Big Read,' helps the church in its mission of little by little making disciples of the children; in enabling them to realise their 'identity,' as 'children of God.'**

**Why not launch the big read in your church, it could be the beginning of something amazing!**
